WELCOME TO MORLEYS FUNERALS

Cremations and Burials

Morleys Funerals have proudly been serving and supporting Townsville families and the community since 1961. With over 50 years experience, Ray Valdete, born and bred in Townsville (an AFDA Master Funeral Director) oversees our fully qualified and experienced local team.

Our magnificent facility is conveniently located on the Lakes, West End and has been appreciated by countless families as their preferred Funeral Home.

Our Funeral Home boasts four chapels and parking for more

than 180 vehicles. We can cater for a diverse range of funeral and memorial services. Our Lakes Chapel has the capacity of up to 300 and our Courtyard Chapel up to 20 people for smaller intimate services. Additionally, our Funeral Home features a fully catered, private function room. Many families find this comforting to have this opportunity to share the stories and memories of their loved one over refreshments.

Our chapels are also fully equipped with in-house livestream facilities

for those unable to attend on the day. Along with an experienced media team to create those lasting memories with visual tributes.

Morleys also print the Order of Service Booklets, Memorial Books and Canvases.

Our fully qualified mortuary technicians will always take the utmost care and uphold any cultural traditions when looking after your loved one. Townsville's only embalmers are also available if embalming is required for improving presentation, long distance or international repatriation or vault burials.

For funerals we conduct, Morleys do not charge an after hours transfer fee if conveyed on the mainland from within 50 kms of our Funeral Home.

We have many private arrangement rooms to discuss your loved ones wishes with you. We also have the largest range of coffins and caskets in North Queensland that can be viewed in our Coffin Display Room or online.

Feel free to contact one of our experienced and trusted Funeral Directors to place your mind at ease. Whether it be arranging a funeral or pre planning one, we are here to help and answer any questions you may have.

65
YEARS
EST 1961

Est. Townsville 1961

*We have seen a lot of changes since 1961,
and have kept pace with these changes.*

*Thankfully, we have retained our same, good
old-fashioned service that is expected of Morleys.*
